

Dear Business Owner,

“Oliver” is coming to Grants Pass, and we invite you to be part of this wonderful production! The musical is being produced by One Eleven Theatre Co., the same company that brought you *Tuck Everlasting*, *Matilda*, *Shrek*, *Beauty and the Beast*, *Cinderella*, *Mary Poppins*, *Peter Pan*, *The Little Mermaid*, *Newsies*, and many more great shows.

The show will be performed at the Grants Pass High School Performing Arts Center (which holds over 750 people) and will run for two consecutive weekends, March 28th - April 6th, 2025.

Step into the streets of London and follow Oliver from the workhouse to a pickpocket’s lair and finally to a loving family and a place to call home. "Oliver!" is a musical based on Charles Dickens' novel "Oliver Twist." The play is renowned for its memorable songs like "Food, Glorious Food" and "Consider Yourself" and explores themes of poverty, exploitation, and the resilience of the human spirit.

“Oliver” is sure to entertain young and old alike with its exciting dance numbers, magical special effects, and breathtaking set design. Our production features 38 cast members and a 15-piece orchestra, led by a stellar production team!

“Oliver” is a great fit for your company’s advertising needs. Our playbills are engaging, professionally designed, and printed in full color. Don't miss out on this wonderful opportunity to showcase your business!

Our playbill provides just the right location needed to recognize sponsors (like your business) who build their community by supporting local theatre events such as this production of **“Oliver”**.

Please assist us in bringing quality community theatre productions at affordable prices to Grants Pass by putting your advertising dollars to work in our Playbill!
